SUBJECT: Comments on DOCKET NO. 58-0117-1001 Negotiated Rulemaking

I would like to use this opportunity to comment on the proposed rulemaking for consideration by DEQ on Section 603.01.a.i. on Page 29. The proposed rules refer to the color of the piping and appurtenances to be Pantone 512. We would like to request that Pantone 522 or equal be added to the color choices for reclaimed water piping. The City of Meridian's experience has been that Pantone 512 has been difficult to locate and the City has been forced to request a waiver from the rules to use Pantone 522 on several City projects.

Sincerely

Clint Dolsby
Assistant City Engineer
